

SPEED QUEEN HOME STYLE WASHER

LWN311SP101NW22

Speed Queen's Manual Home Style top load washers are constructed from heavy-duty components to ensure an extended life in your laundry operation, including a stainless steel washtub, all-metal transmission, and a commercial-grade cabinet finish. Compliant with the current U.S. Department of Energy water and energy standards for commercial washers, your laundry will realize significant savings in water and energy costs.

Features:

- Extra-large capacity stainless steel tub ensures long-lasting, dependable performance.
- An advanced suspension system eliminates the possibility of an unbalanced load.
- Curved four-vane agitator delivers an industry-best 210° wash stroke that produces unparalleled cleaning results.
- Extract speed of 710 RPMs spins clothes out drier.
- Low water consumption.
